

## **Jet Tech Aviation signs new Aircraft Maintenance Agreement with IBC Airways**

**San Juan, Puerto Rico 17 August, 2012** –Jet Tech Aviation, the Elite provider of Line Maintenance to Air Carriers and Corporate operators in Puerto Rico is successfully enhancing its service with IBC Airways, by extending the On-Call services agreement to Meet and Greet services for the SA227 Metros aircrafts. This new agreement includes full overnight checks, service checks, AD's inspections, part storage and handling.

This new agreement further enhances the two companies' relationship, which has been in place since January, 2012. The current Agreement with IBC Airways proves once again our customer's confidence in Jet Tech Aviation services and the value we deliver. We are committed to providing our customers with innovative solutions that help them to improve aircraft and engine performance as well as lower their maintenance costs and increase their on-time performance. Our expanding list of clients demonstrates the market recognition of Jet Tech Aviation high quality of service and experience on Line Maintenance and AOG support, said Luis Melendez, President/ CEO Jet Tech Aviation.

IBC Airways currently operates three SA227 Metros aircrafts for DHL through the Caribbean from San Juan, Puerto Rico
